### Experience

**Atomix Logistics**

**Marketing Manager**

Milwaukee, WI  
August 2022 – Current

- Planned and executed integrated GTM campaigns across paid, owned, and partner channels for product launches and service rollouts, driving a 45% QoQ increase in sales pipeline.
- Partnered with sales, product marketing, design, and marketing ops to ship coordinated campaign assets — landing pages, email flows, one-pagers, ad creative — on tight timelines.
- Owned the content and web roadmap, driving SEO and landing page updates to keep messaging aligned with evolving product positioning and promotions.
- Led co-marketing partnerships with fulfillment and tech partners, building joint campaigns and partner toolkits that expanded channel reach and brand visibility.
- Directed pre- and post-event marketing for conferences, trade shows, and partner webinars, integrating each into ABM and demand gen pipelines.
- Produced sales enablement content (decks, email templates, battle cards) supporting outreach and retention, aligned with evolving GTM messaging.
- Built campaign dashboards in GA4 and Looker Studio to track pipeline contribution and audience performance, informing quarterly planning.
- Applied AI tools to streamline content drafting, A/B test analysis, and audience segmentation — increasing campaign output without added headcount.
- Balanced long-term strategic projects with high-velocity tactical execution across channels in a lean, resource-constrained team.

**Hoffman York**

**Content Designer**

Milwaukee, WI  
February 2022 – August 2022

- Partnered with copywriters, designers, and strategists to produce content for digital campaigns, social media, and branded storytelling for national clients.
- Shaped content wireframes and layouts to align copy and visuals with UX principles and brand guidelines.
- Ran competitive research and tone-of-voice audits that informed messaging strategy and strengthened creative pitches.

- Supported campaign launches through content revisions, asset management, and presentation decks for client-facing pitches.

**Cinemaker Studios**  
**Marketing Strategist**

Kuala Lumpur, MY  
January 2014 – December 2021

- Built and executed marketing strategies for startups and small businesses across CPG, eCommerce, and wellness, driving lead generation and customer engagement.
- Ran brand audits, competitive analysis, and keyword research to sharpen positioning and messaging for clients.
- Managed email marketing, social calendars, and blog content across multiple client accounts.
- Advised clients on SEO, paid media, and CRM workflows using HubSpot, Google Analytics, and Meta Ads Manager.
